

RG NAXOS

Giardini Naxos, Italy

Descriere RG NAXOS 4*, Giardini Naxos, Italy

The hotel has 12 congress and meetings rooms with a total capacity of 2000 people. The Tindari room with modular partitioning walls can host up to 950 participants. The adjacent rooms ideal for business meetings seminars and symposia each host from 10 to 100 participants. All of the rooms have natural light and coolingheating systems and are all on one floor with direct access to the Mediterranean garden and from there access to the private beach. There is also a FoyerLobby in front of the meeting rooms where it is possible to put exhibitionshow stands with a space of 600 s.m. The Hibiscus room and the Nettuno space recently refurbished are ideal for catering services meetings show and car exhibitions and important events such as refined gala dinners and weddings. The hotel is in a strategic position overlooking the Ionian Riviera not far from the most exclusive places in Sicily such as Taormina the heart of the islands tourist trade. It is the meeting point for important congresses as well as being the ideal location for a relaxing holiday with the hot Sicilian sun the intense colours of the sea and the fragrances of our Mediterranean garden.
